We will share the kitchen and the bathroom. - The room measrure one side 11 feet x 16 feet then a closet and then the other room which measure 91/2 feet x 91/2. It have 2 large windows and a small one. It have 2 doors, (one for the living room and another for your bedroom, inside there no walls dividing the bedroom from the living room so you could move from one part to the other.
