Additional Notes:

I would prefer you live in the large LR that connects to the terr., kitchenette, dining area and bathroom but would consider letting them sleep in the BR, with LR to be shared when mutually convenient. If you sleep in LR I would like it to be shared only when you are out and when agreed. I almost always keep to myself but would like to be in LR sometimes. I'm VERY flex. and the arrangement of apt. can be modified as nec. to accom. you including my purchasing nice screens to increase priv. Don't want parties and would prefer 1 who works or is a serious student. Also prefer someone relatively neat and clean since I'm neat & clean. Some work will be done on the apt. Almost 800 sq. ft. apartment-a very good neighborhood/building w/ large planted terrace
